

SMART SOS

SETTABLE SOS ALARM AND WIRELESS HOUR METER

GET SMART SOS

FREE APP AVAILABLE FOR IOS AND ANDROID, TO USE ALL THE DEVICE FEATURES

Smart SOS is the brand new GET product which is both a **settable SOS alarm** and a **wireless hour meter**. This device features an **internal accelerometer**, which detects when the bike falls and **sends a notification with GPS position to your selected contacts**, thanks to a free App available for both iOS and Android.

Smart SOS allows to record **standard and customised service intervals** in order to keep the bike at the highest level of efficiency and performance; and it also tracks total and partial counts (up to 1000 hours).

Equipped with a CR2032 **replaceable battery**, Smart SOS can be **installed directly on the frame**, without needs of cables or sensors and is water and dirt proof.

P/N	DESCRIPTION	PRICE (VAT Excl.)
GK-GETHM-0001	Smart SOS	€ 65,53

APP MAIN FUNCTIONS

- SOS:** The App sends notifications to the registered contact.
- SERVICE:** The App records customised maintenance intervals in order to keep the bike at the highest level of efficiency and performance.
